

The background image shows an outdoor dining area of a restaurant. The setting is bright and sunny, with a light-colored stone or plaster wall on the left. The wall is decorated with several large, round, woven baskets of various patterns and colors. In the foreground, there are wooden tables and white chairs, some of which are set with glassware and bottles. A wooden counter with drawers is visible on the left side. In the background, there are more tables and chairs, and a large tree with thick branches. The overall atmosphere is warm and inviting.

ABOUT

Concept • Restaurant

La Corderie

La Corderie is a restaurant located at the Darse port, nestled in one of the last genuine spots along the Côte d'Azur.

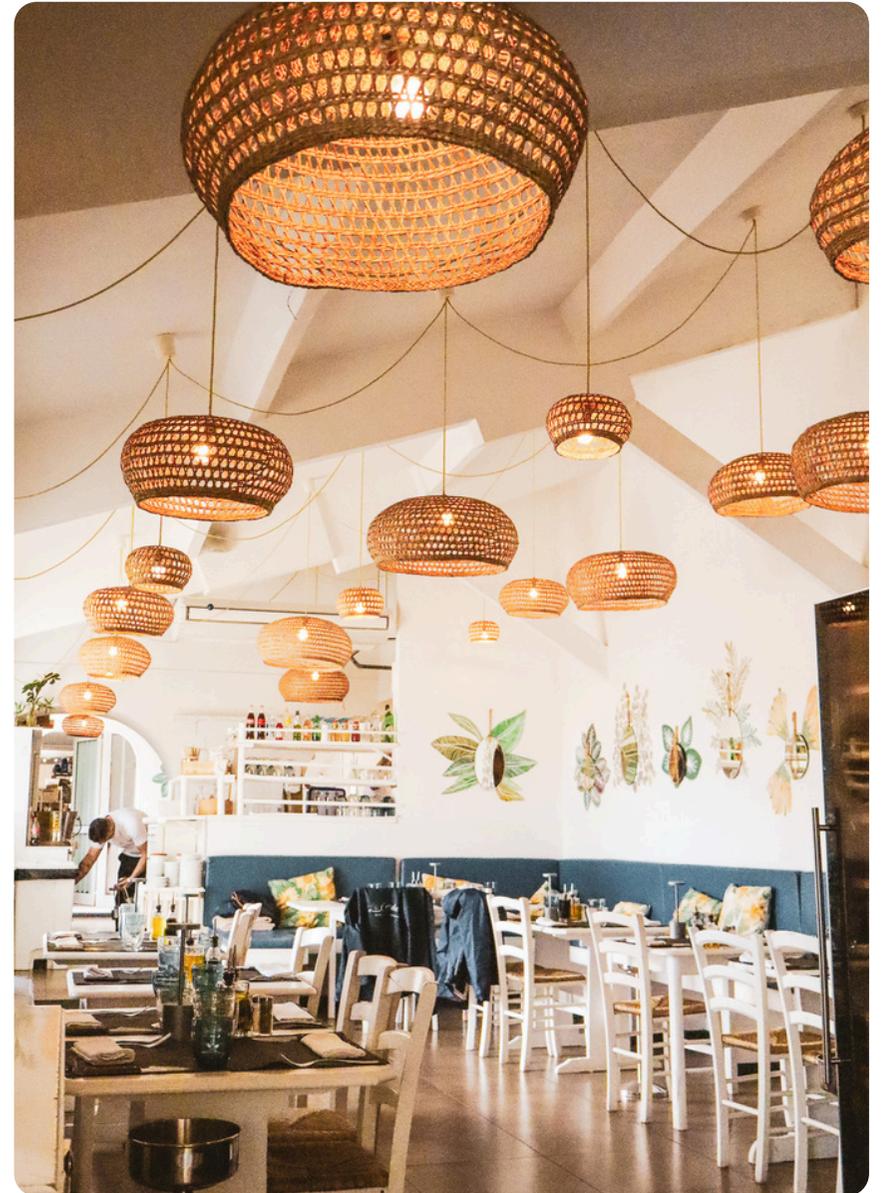

The grand plane tree shading the restaurant terrace invites a sense of freshness, capturing a moment that takes us back to our vacations.

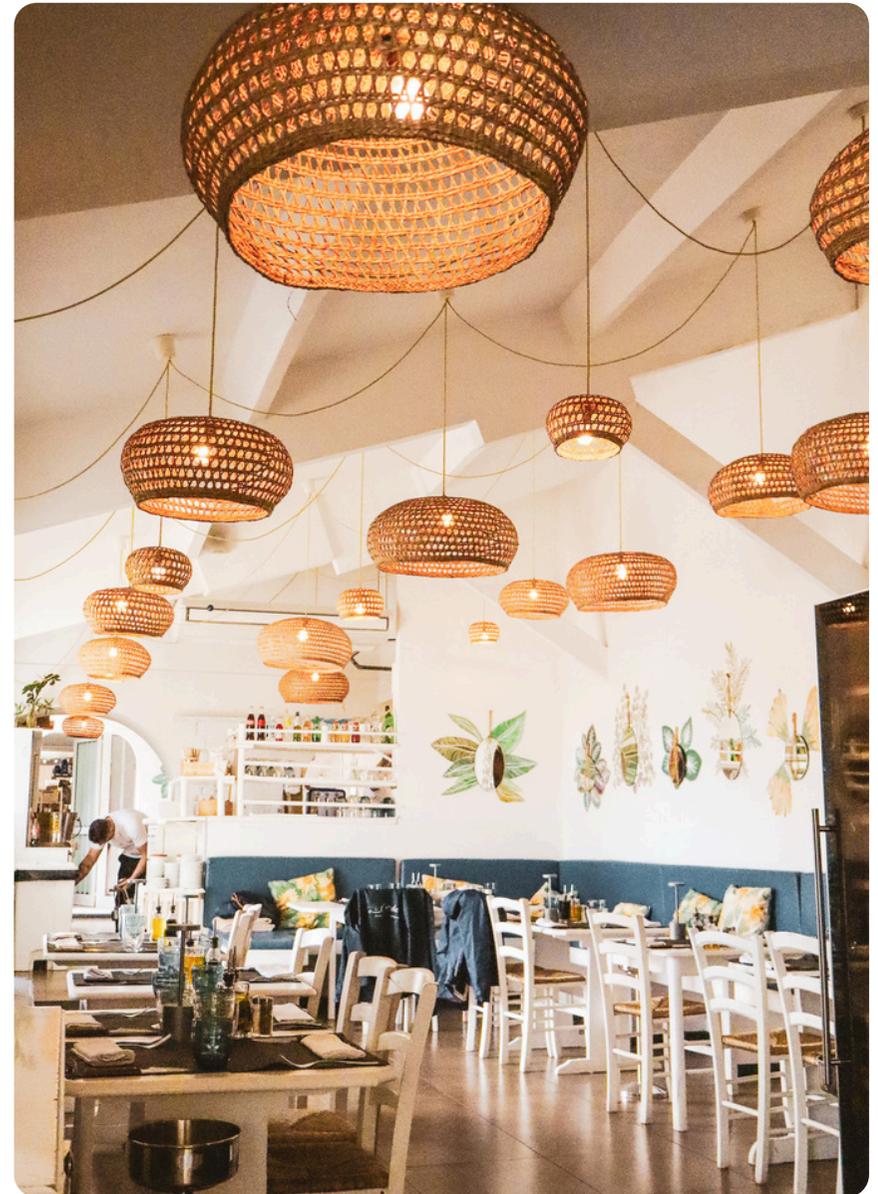

With the boats in view and the sound of their clanking, you can savor modern Mediterranean cuisine with a Provençal twist for both lunch and dinner.

Come have fun on our pétanque court, located on the terrace of our restaurant.

DJ

Expert service with gear and lighting.
Create the perfect vibe for the evening with music that gets you moving. Copyright (SACEM): €150.00 for any event featuring an orchestra, musicians, or a show.

Conditions

PRIVATE SPACE

The venue won't be responsible for any damage to the rented or provided space. The facilities are well-maintained and in great working condition.

The organizer will make every effort to keep the venue safe and secure throughout the event.

DECORATING AND ANIMATING THE SPACE

You can totally decorate the space however you like: think structures, tablecloths, cloth napkins, flowers... or even bring it to life with magicians, shows, musicians, fireworks, and more, all in coordination with the venue. Just a heads up, though—streamers, confetti, and similar festive items are not allowed. If these rules aren't followed, you might end up with some cleaning fees.

Reservation Confirmation

A reservation is only considered confirmed once we receive the signed quote with the company stamp and the phrase "good for agreement," along with the deposit payment.

PRICE PROMISE

The rates listed in the quote are in euros and include the current VAT rate. They are guaranteed for two months from the quote date. After that, they may change based on economic conditions. The rates that apply will be those in effect on the day of the meeting.

COVERAGE ASSURANCE

You need to confirm the exact number of guests four days before the event date. This will be the minimum amount for invoicing. Management has the right to cancel the reservation in case of force majeure or unexpected events like strikes, fires, or water damage.

ASSURANCE

The company cannot be held responsible for any kind of damage, including fire or theft, that might occur to items or equipment left during the event related to this reservation.

The organizer agrees to return the premises to their original condition, at their own cost, if any damage occurs.

The Management and the company aren't responsible for the blood alcohol levels of guests at events. That said, the establishment has the right to refuse alcohol service and can have anyone who is obviously intoxicated escorted home, with the costs covered by the individual who can't drive.

TIMETABLES All guests need to vacate the space by 1:00 a.m. Any non-contractual times will incur charges. If the schedule is exceeded, our staff will be charged for overtime.

MUSIC

The site has 220V electrical connections available, so make sure to bring your own extension cords.

All electrical connections and the setup of the installation need to be verified and done under the watch of the site manager. Making any changes to the current installation is strictly prohibited. The service provider is asked to use appropriate electrical gear that has been inspected by an authorized organization (like extension cords, power strips, etc.).

The facilities are in good shape and working well. If you spot anything unusual before the installation begins, make sure to let the manager or project manager know.

The background music sound diffusion is already set up on site: Multi-diffusion using LD SYSTEM speakers. You can connect to the amplifier with either 2XRCA or 1XLR female. Installation for festive evening diffusion is ready to go.

Multi-diffusion with LD SYSTEM speakers. Depending on the setup, a remote speaker can be placed in the dance area.

This system lets you hit up to 80dB(a) on the dance floor or party area, especially during a dance party.

No loud music is allowed on the terrace.

We're there during the installation to help you out and show you the facilities just for managing the broadcasting system. When it comes to mixing or managing the ear monitors, you'll need to bring in your own sound engineer. We can take your final mix output from the consoles either through 1x XLR or 2x RCA. The artistic side is up to you (like balance, returns, stage setup, and lights). Only electronic drums are allowed—no acoustic drums or percussion will be accepted. The venue also has the right to limit percussion after 10 p.m.

Only in-ear monitors are allowed for the artists' sound feedback (no on-stage speaker monitoring will be accepted). You agree to follow the noise pollution laws and to pay the royalties (SACEM) for any event featuring an orchestra, musicians, or show. The establishment will not be held responsible for any noise pollution issues under any circumstances.

Music needs to be turned off by midnight. Management has the right to lower the volume or stop the music earlier than planned if there's a complaint or if law enforcement gets involved. This won't lead to any compensation or price reduction, no matter what.

PERSONNEL

After 00:30, our team earns night shift pay, which means their hourly rate goes up by 50%.

EQUIPMENT

You need to return the sound equipment (like speakers, amplifiers, microphones, satellites, overhead projectors, televisions, etc.) in good working condition. If anything is damaged, you'll be charged for it.

If any technical equipment like glasses, plates, cutlery, tables, chairs, tablecloths, and napkins gets damaged, burned, torn, broken, chipped, or lost, you'll be charged the purchase price.

CONDITIONS

We'll ask for a deposit of 70% of the estimated order amount. If this payment isn't made, it could lead to the cancellation of your reservation.

If you cancel less than 5 days before the event, you won't get your deposit back. If you cancel less than 2 days before the event, you'll be charged for the order.

PAYMENT TERMS

Unless we agree otherwise, our invoices are due once the service is completed.

RECOMMENDATIONS

The organizer agrees to invite only those individuals whose conduct is unlikely to harm the establishment in any way. The establishment retains the right to deny entry to anyone displaying inappropriate behavior.

Customers aren't allowed to bring in any drinks or food from outside.
